

AIRSTREAM® Interstate 24GL

2025 TOURING COACHES

About Interstate 24GL

Whether you're heading to the beach house or tailgating at the big game, the Interstate 24GL Touring Coach elevates the whole experience. You and your guests will be wowed by the conveniences, amenities, and quality throughout this luxury coach. Settle in and enjoy every comfort you can dream of during your time on the road. Park at your destination and relax in style, surrounded by the best-in-class features.

With belted seating positions for up to seven passengers, the Interstate 24GL is made for riding along with friends and family. We load up the Interstate 24GL with every available safety and performance feature offered by Mercedes-Benz® – and we include them as standard, not upgrade options. With an Interstate 24GL, you're traveling in the very best of safety, performance, interior design, comfort, and efficiency every time you hit the road.

Once you arrive at your destination, conveniences like a full kitchen, an onboard bathroom, charging stations, and two smart flatscreen TVs let you enjoy your time in comfort and style. Prepare snacks and drinks on solid surface countertops in the galley. Store accessories in the European-style curved cabinetry. Relax on plush, easy-to-clean Ultraleather® seating surfaces. No matter where you turn, the Interstate 24GL is ready to impress.

Floor Plan

The Interstate 24GL has belted seating positions for seven passengers. Front captain's chairs swivel to face a central table for eating, gathering, or working from the road. A central galley features a two-burner cooktop and deep sink, while across the aisle a wet bath makes for an efficient use of space.

The rear of the Interstate 24GL is anchored by a wide seating area for up to five people but converts at the push of a button to a spacious sleeping area. Overhead lockers provide ample space to store dishware, food, bedding, and everything you need to make your journey complete. Behind the seating, rear doors swing open to reveal more storage and a clever table system that's perfect for outdoor entertaining.

Exterior Features

Built on the powerful performance of the legendary Mercedes-Benz Sprinter van chassis, the Interstate 24GL is packed with exterior features that prioritize entertaining, traveling, and enjoying the outdoors. The sliding door automatically opens, and a powered step extends for easy entrance. Premium Air Ride Suspension provides the smoothest ride available, while two 100 Ah deep cycle lithium batteries, roof-mounted solar panels, and enhanced power system components ensure you have the power you need for the road ahead.

1 Solar panels on the roof harvest the free, abundant power of the sun.

2 The powered awning extends and retracts at the push of a button.

3 The optional E1 Package upgrade combines an enhanced energy system with a convenient single-fuel-source heating and hot water system.

4 Air Ride Suspension handles bumps in the road, changes in elevation, and wind resistance for the smoothest ride possible.

5 Safety sensors and cameras positioned around the exterior of the coach give you comprehensive situational awareness.

6 Mercedes-Benz performance under the hood is anchored by a powerful and efficient diesel engine.

Specifications

Chassis	Mercedes-Benz® Sprinter 3500 Extended AWD
Engine	Mercedes-Benz® 2.0L 4-Cylinder High Output Diesel
Horsepower/Torque	208 HP @ 3,600 RPM 332 lb-ft torque @ 1400 - 2400 RPM

** Typical tow capacity will vary and is dependent upon build spec and intended vehicle loading with people, cargo, and fluids.
*** New Vehicle Limited Warranty. Individual components may vary. See Owners Manual for specific warranty coverage and information.
**** Weights are approximate. See Vehicle Sticker for specific vehicle information.

Why You'll Love It

- If you love tailgating, taking a group of friends to a concert, or cruising the backroads on a tour through wine country, the Interstate 24GL is made for you.
- Belted seating positions for up to seven people means you can bring along a crowd. Onboard amenities like a bathroom, kitchen, and two smart flatscreen TVs mean everyone is comfortable and entertained.
- A large fridge lets you bring along everything you need to prepare healthy snacks (or game-day favorites).
- The optional E1 Package is a powerful upgrade to ensure you have the power you need whether you're camping far from the crowds or pre-gaming in the parking lot.

How It's Made

Each Mercedes-Benz Sprinter van chassis arrives in Jackson Center, Ohio fully loaded with safety and security features and one of the most powerful and dependable engines under the hood. Our expert craftspeople add external features like RV windows, vents, air conditioners, awnings, and undercarriage features like generators, holding tanks, and batteries. Standard seats are removed and re-upholstered with plush Ultraleather, while the interior is outfitted with electrical wiring harnesses, plumbing, gas lines, and insulation. We hand-craft every cabinet and storage locker in our woodshop, which are then installed alongside showers, beds, tables, and kitchen appliances. Every Airstream touring coach is put through an extensive water check to ensure there are no leaks before quality inspection teams test every component, system, and function before it goes out the door to a customer.

Schedule a factory tour

1 Interiors are outfitted with electrical, plumbing, and gas lines.

2 Seating is upholstered in-house with Ultraleather fabric.

3 Cabinetry and furniture is handcrafted and expertly installed.

4 Every coach is put through a water check to ensure it is watertight.
