Luxury Meets
Rugged Capability

The Interstate 24GLX takes the luxury and comfort of the 24GL and adds rugged capability for those who crave adventure. With Mercedes-Benz® power and performance under the hood, it's built to take you farther, whether you're heading out for a weekend escape or a cross-country journey. The 24GLX pairs Airstream's handcrafted interior with bold, adventure-ready exterior upgrades, delivering a perfect balance of premium comfort, confidence, and off-grid freedom for travelers who refuse to compromise.

24GLX Features:

All-Wheel Drive & Electronic Stability Control: Mercedes-Benz systems provide added stability and confidence in all road conditions.

Tenzing Brush Guard with Integrated LED Lights: Rugged front-end protection with adjustable LED lights to blaze your path forward.

Durable Body Protection Coating: Protective coating on front and rear bumpers, sides, and hood for lasting durability.

Black Aluminum Wheels: Stylish and strong, paired with rugged, all-terrain tires for on and off-road performance.

Black Running Boards: Easy entry and exit with durable, sleek black running boards.

Exterior
Features

Built on the powerful Mercedes-Benz Sprinter chassis, the Interstate 24GLX is crafted for travelers who seek both luxury and adventure. Rugged and ready for off-pavement exploration, it combines a bold, durable exterior with refined interiors for ultimate comfort. Premium suspension ensures a smooth ride, while the Advanced Power System, roof-mounted solar panels, powered awning, and safety sensors provide energy, convenience, and peace of mind for journeys without compromise

1 400 watts of solar panels on the roof harvest the free, abundant power of the sun.

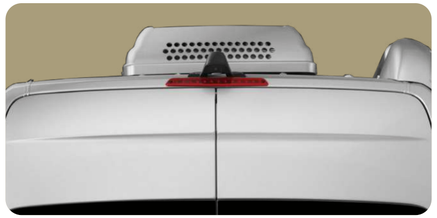

2 The powered awning extends and retracts at the push of a button.

3 The standard Advanced Power Package combines a powerful battery system with a convenient single-fuel-source heating and hot water system.

4 Air Ride Suspension handles bumps in the road, changes in elevation, and wind resistance for the smoothest ride possible.

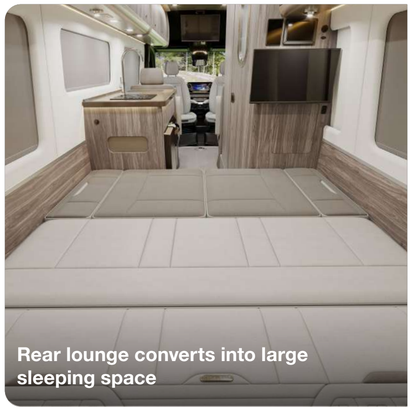

5 Safety sensors positioned around the exterior of the coach and a rear view camera give you comprehensive situational awareness.

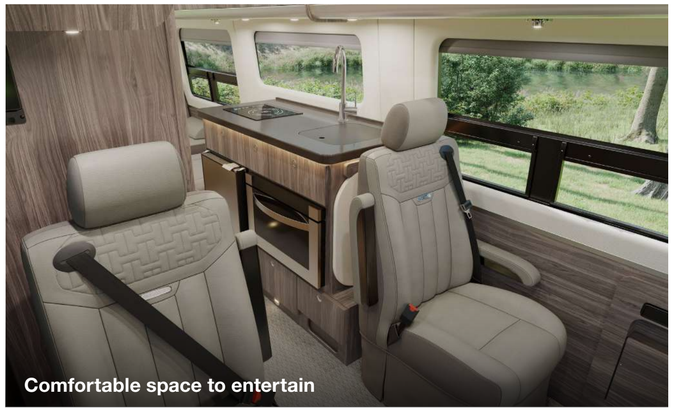

6 Mercedes-Benz® performance under the hood is anchored by a powerful and efficient diesel engine.

Rear lounge converts into large sleeping space

About
Interstate 24GLX

With belted seating positions for up to seven passengers, the Interstate 24GLX is made for riding along with friends and family. We load up the Interstate 24GLX with every available safety and performance feature offered by Mercedes-Benz® – and we include them as standard, not upgrade options. With this model, you're traveling in the very best of safety, performance, interior design, comfort, and efficiency every time you hit the road.

Once you arrive at your destination, conveniences like a full kitchen, an onboard bathroom, charging stations, and two smart flatscreen TVs let you enjoy your time in comfort and style. Prepare snacks and drinks on solid surface countertops in the galley. Store accessories in the European-style curved cabinetry. Relax on plush, easy-to-clean Ultraleather® seating surfaces. No matter where you turn, the Interstate 24GLX is ready to impress.

Floor Plan

The Interstate 24GLX has belted positions for seven passengers. Front captain's chairs swivel to face a central table for eating, gathering, or working from the road. A central galley features a single-burner induction cooktop and deep sink, while across the aisle a wet bath makes for an efficient use of space.

The rear of the Interstate 24GLX is anchored by a wide seating but converts quickly to a spacious sleeping area with power controls. Overhead lockers provide ample space to store dishware, food, bedding, and everything you need to make your journey complete. Behind the seating, rear doors swing open to reveal more storage and a clever table system that's perfect for outdoor entertaining.

Why You'll **Love It**

If you love tailgating, taking friends to a concert, or cruising through wine country, the Interstate 24GLX takes your adventures to the next level.

Seating for up to seven means everyone can come along for the ride, while a rugged exterior and elevated styling ensure you'll arrive in confidence and comfort.

Inside, premium amenities like a kitchen, bathroom, and two smart TVs keep everyone relaxed and entertained.

A spacious fridge stores everything from fresh snacks to game-day favorites, and the Advanced Power System provides the energy you need—whether you're off the grid or pre-gaming in style.

**** Weights are approximate. See Vehicle Sticker for specific vehicle information.

How It's Made

Each Mercedes-Benz cab chassis arrives in Jackson Center fully loaded with safety and security features and one of the most powerful and dependable engines under the hood. Our expert craftspeople hand-build the exterior walls and roof in-house while undercarriage features like generators, holding tanks, and batteries are installed. Standard seats are removed and re-upholstered with plush Ultraleather, while the interior is outfitted with electrical wiring harnesses, plumbing, gas lines, and comfort systems. We handcraft every cabinet and storage locker in our woodshop, which are then installed along with the shower, seating, and galley appliances. Extensive paint and fiberglass bodywork complete the exterior. And like every Airstream product, Atlas is put through an extensive water check to ensure there are no leaks before quality inspection teams test every component, system, and function before it goes out the door to a customer.

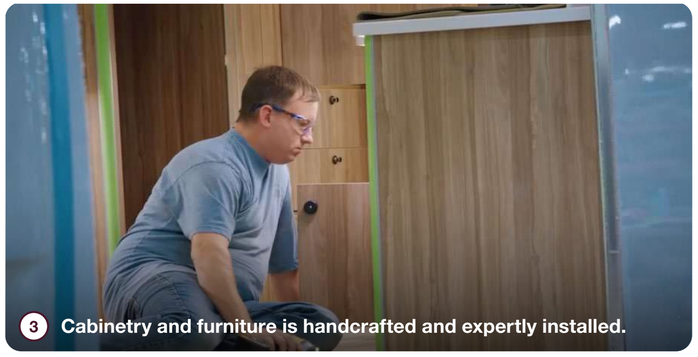

Schedule a factory tour

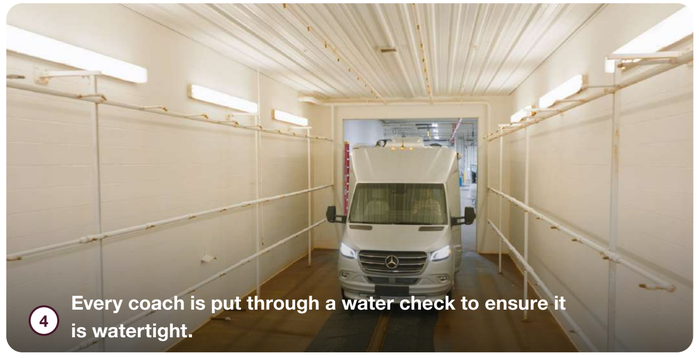

1 Interiors are outfitted with electrical, plumbing, and gas lines.

2 Seating is upholstered in-house with Ultraleather fabric.

3 Cabinetry and furniture is handcrafted and expertly installed.

4 Every coach is put through a water check to ensure it is watertight.
